Consolidated Communications makes donation to Camp Care-A-lot

MATTOON – Consolidated Communications recently made a donation to Camp Care-A-Lot to send two area children to the week-long residential camp in Jacksonville this summer. Bill Barnes, a Consolidated Communications employee and vice president of the Camp Care-A-Lot Board of Directors, accepted the donation.

Camp Care-A-Lot is a camp for children between the ages of 6 and 10 who come from low or no income families. The camp offers traditional summer camp activities such as swimming, boating and hiking as well as educational opportunities such as team building, conflict resolution and anger management.
