Consolidated Communications employees donate blood in Conroe

CONROE – Consolidated Communications employees recently lined up to give the gift of life at the annual Conroe Blood Drive held August 21 at CCI’s Conroe Business Office.

Representatives from the Gulf Coast Regional Blood Center were at the office with their mobile donation center for several hours. During that time, 37 employees attempted to give blood and 30 employees were successful in their donation, said Lindsey Witt, a Consolidated Communications employee and blood drive organizer.

Shannon Cook, an account representative with the Gulf Coast Regional Blood Center, said she appreciates the support of the employees. “We thank the many employees of Consolidated Communications who are always willing to donate,” she said. “It is this type of support and partnerships that makes our community even better.”
