Dear Wholesale Customer,

Effective June 1, 2021, Consolidated Communications is implementing a 5% increase for certain detariffed special access services including channel termination and channel mileage rate elements offered under Consolidated Communications Companies Service Guides. For specific rates, please see the Consolidated Communications Service Guides posted on the Company's website at www.consolidated.com/regulatory¹.

In compliance with orders of the Federal Communications Commission, the rates, terms and conditions for certain services deemed competitive by the FCC formerly contained in Consolidated Communications' FCC Tariffs have been de-tariffed and are now contained in Interstate Service Guides.

¹ To access the Consolidated Communications Companies Service Guides, go to the web page at the above link, click on "Tariffs, RTCs, Price Lists and Service Agreements", then click on "Consolidated Communications Companies" listed under the FCC documents. Select the appropriate Service Guide for your area.
